Commandant, U.S. Coast Guard

## Solo - "Eternal Father"

Commander Larry A. Hall

Executive Officer, U.S. Coast Guard Group North Bend

## Taps

## Benediction

# How Great Thou Art

O Lord my God! When I in awesome wonder, consider all the words thy hands have made, I see the stars, I hear the rolling thunder, thy pow'r throughout the universe displayed.

## Chorus

Then sings my soul, my savior God to thee; How great thou art, how great thou art! Then sings my soul, my Savior God to thee; How great thou art, how great thou art!

When through the woods and forest glades I wander and hear the birds sing sweetly in the trees; When I look down from lofty mountain grandeur and hear the brook and feel the gentle breeze.

## Chorus

When He shall come with shout of acclamation and take me home, what joy shall fill my heart! Then I shall bow in humble adoration and there proclaim, my God, how great thou art!

## Chorus

# Eternal Father

Eternal Father, strong to save,  
Whose arm hath bound the restless wave,  
Who bidd'st the mighty ocean deep.  
Its own appointed limits keep,  
O hear us when we cry to thee.  
For those in peril on the sea!

Eternal Father, Lord of hosts,  
Watcher o'er those who guard our coasts.  
Protect them from the raging seas  
And give them light and life and peace.  
Grant them from thy great throne above  
The shield and shelter of thy love!

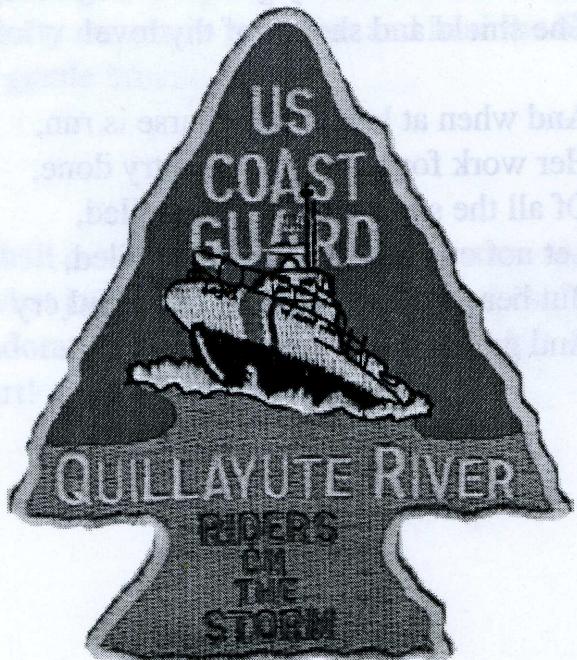

And when at length her course is run,  
Her work for home and country done,  
Of all the souls that for thee toiled,  
Let not one life in three have failed,  
But hear from heaven our prayerful cry  
And grant eternal life on high!

# Coast Guard Station Quillayute River

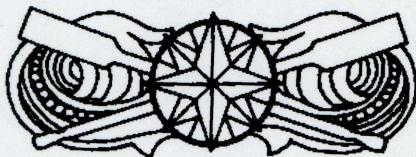

Coast Guard Station Quillayute River is located in La Push, Washington, on the Quileute Indian Reservation. The unit is staffed by about 30 men and women who stand guard on the Olympic Peninsula, always ready to answer a call for help.

Station Quillayute River has been a close friend of the Quileute Tribe for many years, providing basic fire and emergency response to the community of La Push.

The station personnel and their families would like to express their sincerest gratitude for the support and kind gestures shown by the community during this time of sorrow.

**“These poor, plain men, dwellers upon the lonely shores, took their lives in their hands, and, at the most imminent risk, crossed the most tumultuous sea..., and all for what? That others might live to see home and friends.”**

*- Annual Report of the Operations of the United States Life Saving Service, 1885*
